COMMENTS FROM THE TOWN MANAGER'S OFFICE

A leak has been detected in the West Bethel Water System. The pressure was down around 20 pounds which is less than half the normal 45 to 52 lbs. The low pressure has existed for some time but reached a low point over the week end. The exact location of the leak has not been found, but it has been segregated to one section of the system. Several suggestions have been made since last week and I might add some of the suggestions were very good. The town crew has been busy with many jobs lately. Besides the work at West Bethel, they have been hauling off elm trees, sanding and salting, and working on a plugged sewer.

Tax payments have increased these last couple of weeks. The total payments to date are \$120,736.23 which is just under one-half of the total commitment. The next three weeks will be very busy. It would be helpful if most of the payments were received before the last week of the month.

The 1966 excise tax payments have been quite slow. Only 22 have paid their 1966 tax. Of course the 1965 registration does not expire before Feb. 28, 1966. The 1966 registrations and license plates tags can be put on Christmas Day of this year. There is another restriction that does not allow a person to transfer his 1965 registration after Christmas Day from one car to another. In other words a person who trades automobiles after Christmas must expire and license it for 1966.

PLANS FOR NEW CHURCH BUILDING PRESENTED TO NAZARENES

At the close of the service last Sunday evening, the plans for the newly acquired Church Street property were presented to the congregation by the pastor, Rev. Robert W. Jackson. The plans call for an educational unit of 10 classrooms to house an ever-growing Sunday School; the redecorating of the church sanctuary with added lighting, both direct and indirect; the installation of new room facilities; the redecorating of the pastor's study; and the building of a nursery, youth chapel, and a Sunday School office.

Work has begun on construction of an educational unit in the basement of the church, and the removal of the pews from the sanctuary for the painting of the ceiling. Much of the work on the church will be done by the church folk.

A Club of the Methodist Church will be held Saturday evening with a 6:30 pot luck supper. Those to charge are Mr. and Mrs. Stanley Brown and Mrs. Leona Brown. Mr. and Mrs. Albert Buck. The program will be the annual Christmas party. Each person is to bring a 25¢ gift to exchange.

S. A. D. DIRECTORS VIEW SKETCHES — RE-ELECT SUPERINTENDENT

At the regular meeting of the District Directors Monday evening at the Locke Mills School the preliminary sketch of the new high school was discussed by the chairman of the building committee, Mr. Bickford. It was recommended that an auditorium and a cafeteria be included in the preliminary plans.

The goal is a grade 7 to 12 school building housing auditorium, central kitchen, cafeteria, industrial arts shops and gymnasium, in addition to classrooms, library and administrative offices. All this plus development of athletic fields would cost an estimated \$2,200,000.

With the legal debt limit of the five SAD 44 towns, Andover, Bethel, Greenwood, Newry and Woodstock, recognized at \$1,100,000, directors will endeavor within the next two weeks to determine what other sources of finances may be.

One hope lies with the Bingham Trusts (charitable trusts) — not the medical trusts, known as the Bingham Associates, of the late William Bingham II, who by their memorandum of Sept. 21, 1965, to Dexter M. Stowell, chairman of the District Directors, asked for further information about the district's plans.

Mr. Stowell and Supt. Horace P. Maxey were instructed to prepare a report to the trustees on the basis of data the committee of the board of directors have compiled.

A committee will be appointed to develop a brochure to describe the new building.

There was a discussion of costs in the District. A table of expected costs is to be presented to the Committee of 100 showing effects on the tax rate.

The building committee is planning to visit the high school in Bucksport early in January. This school is heated by electricity.

Horace Maxey was re-elected to serve as superintendent of schools for the year starting Jan. 1, 1966, at a reported gross salary of \$11,000. Kenneth Libby of Hyattsville, Md., was named to teach math and science at Andover High School. Mr. Libby is a graduate of the University of Maryland 1965.

A basketball program for the Crescent Park School was approved.

Richard McCann of Woodstock High School was granted a leave of absence for the remainder of the year to assist in the Department of Education in preparing an Educational Television Program on Maine History.

A reception for teachers of 4 A D 44 will be held at the West Parish Congregational Church this Thursday evening.

Joan Freeman and Yvonne Chase of Bethel are leaving for Glasgow Airport, Idaho, Friday to attend the Christmas holidays with Mrs. Chase's parents in Shapton, England.

CHAMBER OF COMMERCE HEARS OCDEC DIRECTOR; NOMINATIONS REVEALED

Samuel Michael, Oxford County Director of Economic Development, reviewed the organization and activity of his department since it opened in June of this year, as he spoke to the Greater Bethel Chamber of Commerce, Tuesday night.

The Department, created by an Act of Legislature during the last session, has a budget of \$35,000 for one year's operations. Mr. Michael said that since June, a shoe factory has been attracted to Fryeburg, and another to Rumford through the department's efforts. He listed as an outstanding asset in attracting new industry, the potential availability of female labor which has not previously been employed.

His first plan had been to work in the communities to assess needs and plan for meeting these, but he had such a large number of interested employer prospects, that he had been working at the problem by following these leads, and then trying to find the area most suitable for them. One such instance is a "stitching" operation to employ toward 100 women, eventually, with which he will be meeting Wednesday. If they show sufficient interest, he will have to find space, and labor.

Mr. Michael answered questions from the floor at the end of his talk, and gave statistics to show comparative types of economic growth in proportion to additional pay checks in the community. For this particular type of community, he felt a small type of manufacturing for women, since the capable male labor force here now, is generally employed in existing industry, would be suitable.

Some of the members cited present or future, expected economic problems, such as the need for more housing to be ready by 1967, and Mr. Michael said there are development companies which might be interested in such a project, if local investors are not interested. The idea about reluctance of local persons to make such an investment, was the taxation that would be levied before the houses were sold.

It was a small meeting as to attendance, but lively in audience participation. Alvin Barth, secretary, presided.

The annual meeting will take place in January, at which time the slate of officers nominated to the committee, appointed in November, will be acted upon. Nominations were:

"THE WIZARD OF OZ" TO BE PRESENTED DECEMBER 19th

The Children's Theater of Portland, under the direction of M. Stephen Kardaleff, is presenting "The Wizard of Oz." Sunday afternoon, Dec. 19, at 3 p. m. in William Bingham Hall, Gould Academy. The PTA is sponsoring the program.

Those children wishing to attend may be assured seating by buying their tickets Monday or Tuesday mornings in their schools. Brooks Bros. will also handle advance sale of tickets until sold out.

LETTER TO THE EDITOR

December 8, 1965

The Editor
The Bethel Citizen

Dear Sir:

With the dissolution of
School Supervisory Union 22
and a regrouping of towns to
form the new S. A. D. 44 the
Town of Gilead now belongs to
the new union, but only for su-
perintendence of its educational
requirements. This is prescribed
by Maine laws and is man-
datory both for Gilead and S.
A. D. 44. In accordance with a
vote passed in the annual town
meeting Gilead made a request
upon the Maine Department of
Education to withdraw from a
supervisory union. The request
followed accepted procedure in
these matters but was denied by
the Department for policy rea-
sons. At the same time the De-
partment advised Gilead that
for superintendence only it was
required to be a member of S.
A. D. 44. It now appears that
some of the directors of S. A.
D. 44 feel that to enter into
negotiations with the Gilead
School Committee for the Gilead
contribution to the superin-
tendent's salary is a gratui-
tous accommodation to a Gilead
supervisory problem rather
than a required duty. Nothing
could be further from the
truth! While it also appears
that the said directors seem
willing to accommodate Gilead,
as they see it, and which good
will is appreciated, it is none
the less binding upon them to do
so. And, most importantly, with-
in the limits prescribed by the
laws of Maine. Which are in the
effect that no payment is to be
made beyond a value of ser-
vices rendered. A most com-
mon requirement in any man's
language! Therefore, no arbit-
rary decree by the one party
upon the other is at all binding,
whether made in the spirit of
accommodation or otherwise.

The essential question is what
should Gilead's fair share
of supervisory expense be?
Some years ago Gilead closed
its school. Since that time there

The Citizen Office

has been no necessity for a
union superintendent to 1) visit
the school; 2) hire a teacher;
3) purchase text books. — His
minimal requirements have been
to: 1) issue a bimonthly war-
rant for payment of bills; 2)
record said bills; 3) occasionally
purchase school bus materials;
4) issue an annual report of
school expenditures, and a bud-
get for the next year. As ex-
officio secretary of the Gilead
School Committee he also was
required to keep minutes of its
meetings. He may have done
so for two or three meetings
within the last five years! Most-
ly the Gilead School Commit-
tee doesn't hold meetings! At
least not with the Superinten-
dent of Schools! So the duties
of a superintendent for Gilead
school affairs has been reduced
to a matter of book-keeping.

Gilead has about 30 pupils.
Ten of them are in high schools
throughout Maine and New
Hampshire. The balance are in
New Hampshire schools, both
private and public. The Gilead
School Committee, decided up-
on this latter action in view of
the best interests of its children
and town financial considera-
tions. Aside from the require-
ments of State laws Gilead has
no need for a superintendent at
all! Any town official would
be glad to assume the superin-
tendent's book-keeping expense
for a fraction of what Gilead
has paid for same in the past.

Interestingly enough, pursu-
ant to a decision by the erst-
while Supervisory Union 22, of-
fice expenses were raised for
the superintendent. In common
with many other Maine towns,
Gilead, through its school com-
mittee, agreed to the payment
of this expense, although it was
never ratified by action of the
town in a town meeting. This
expense, together with a super-
intendent's salary, was not a
subject for expenditures of
funds from school appropri-
ations. In fact, until 1965 any
office expense was not an au-
thorized expenditure of town
funds whether or not a specific
action was taken by a town in
a town meeting, pursuant to
an appropriate article in the war-
rant for said meeting. Thus, for
some years, the Gilead School
Committee, the Selectmen, and
the Treasurer have indulged in
an unauthorized expenditure of
Town funds.

It is with fond hopes that
Gilead taxpayers look forward
to a realistic agreement between
the Gilead School officials and
those of the other towns that
have formed S. A. D. 44 with
respect to the Gilead share of
superintendence costs. In our
community planning this has a
first priority.

Sincerely yours,
Samuel F. McCoy

current interest in school affairs

Pearl Harbor Survivors Assn.
Seeks Information

Dear Editor:

The military survivors of the
attack on Pearl Harbor of Dec.
7, 1941, are trying to perform
a miracle by locating as many
survivors as is possible in order

to hand together and form
chapters in cities and states
across the country as the "Pearl
Harbor Survivors Association."

We have located over 10,000
servicemen and women of all
the uniformed military services
who were there, and believe that
some 40,000 more survivors may
still be alive today and would
join with us if they knew that
we have formed our National
Association of survivors of
Pearl Harbor 1941, and seeking
to perform the "Miracle of Sur-
vival" which is, "Returning
Emmese" to Honolulu, Hawaii,
for our 25th Anniversary and
Memorial Service at Pearl Har-
bor on Dec. 7, 1966.

All of the arrangements have
been made for this miraculous
and historical reunion 25 years
after the attack.

If you are a military survivor
who was stationed on the Island
of Oahu, or serving aboard ship
within three miles of Oahu,
Hawaii, or if you might know
of a survivor in any branch of
the uniformed military services
who was there on Dec. 7, 1941,
then please write for full in-

GOULD ACADEMY

The annual Christmas ves-
pers will be presented this Sun-
day, December 12, in Bingham
Hall, Gould Academy, at 8:00
p. m. This Christmas program
will present Bach, Purcell, and
Buxtehude. The brass ensemble
will play a suite by Purcell and
Bach's Alleluia from Cantata
142 for four part brass choir
and organ. The choral work is
the cantata, "The Infant Je-
sus," by Buxtehude, an early
18th Century composer. Every
Sunday in Advent at the twi-
glight hour, Buxtehude present-
ed a chorale cantata of his own
composition in St. Mary's
Church, Lubeck. The fame of
this "Twilight Music" spread
throughout Germany and from
far and near people came to
attend these services. The young
Bach obtained a leave of ab-
sence for four weeks from his
church, walked the two hun-
dred miles to Lubeck, and was
so deeply impressed that he
stayed on for four months. Bux-
tehude's music was the model
for Bach's chorale cantatas, and
the influence of the Lubeck
master on all Bach's early writ-
ings is very marked. Gould's
performance of this cantata
will be accompanied by Stan
McKnight on organ and mem-
bers of the woodwind ensemble.
The public is cordially invited
to attend the performance.

20 SECONDS WITH THE NAZARENE

And in that region there were shepherds out
in the field, keeping watch over their flock by
night. And an angel of the Lord appeared to them,
and the glory of the Lord shone around them,
and they were filled with fear. And the angel said
to them, "Be not afraid; for behold, I bring you
good news of a great joy which shall come to all
the people; for unto you is born this day in the
city of David a Savior, who is Christ the Lord."
(St. Luke 2:8-11 RSV)

Christmas is a time for joy for we remember
the Savior. Christmas is a time for forgetting
fear because the "good news" has come.

VIETNAM POLICY SUPPORTED

The following clipping was received by Mr. and Mrs. Lynn Bennett on Tuesday of this week from their son, Sp4 Mark A. Bennett, in Germany. It is reported that the letter appeared in a service weekly.

We wish you would forward this letter to Gen. Westmoreland in Vietnam, in regards to how the undersigned troops in Co. A, 10th Eng. Bn., Schweinfurt, Germany, feel about the fighting in Vietnam. We want the troops to know we are backing them 100 percent in their fight for freedom.

We disagree with the people who are protesting against the American troops fighting in Vietnam.

We realize the importance of freedom of speech in America, but we feel that these demonstrations protesting the fight in Vietnam are damaging the morale of the American soldiers away from home, fighting for the cause of freedom.

We have never been in Vietnam so we do not exactly know what is going on there. We do know that a fight to keep Communism from spreading is every free man's fight.

We feel that people protesting the fight in Vietnam are doing exactly what the communists want them to do. If the American troops move out of Vietnam the communists will take over and that will mean another communist country we may have to fight in the future.

If we quit fighting in Vietnam now we may find ourselves fighting in California later.

Earlier we read in the Stars and Stripes that most of the men in Vietnam would like to hear the opinion of GI's stationed in Europe toward the protesting. Because your paper

Mr. and Mrs. Carlton Lapham, Locke Mills, called on Mr. and Mrs. Guy Rice and family last Friday evening.

The Eleanor Gordon Guild met Wednesday evening at the home of Mrs. Wallace Saunders with a pot luck supper. The annual Christmas party with exchange of gifts was enjoyed.

Mr. and Mrs. Kolerick Row have moved into the Sahlberg home on Paradise Road. Mr. and Mrs. Row come to Bethel from Guam and he is replacing Don Fife at Andover.

The Evening Circle of the W. S. C. S. met Dec. 2 for a pot luck supper and Christmas party at the home of Mrs. Alton Laxton assisted by Mrs. Donald Walker. The program, "The Spirit of Christmas," led by Mrs. Donald Walker was one of inspiration with a candlelight service and songs. Following the program was an exchange of gifts. The next meeting will be Jan. 6 with hostess, Mrs. Donald Hens Mrs. Drew Webster will be in charge of the program.

Richmond (Joe) Roderick is not
in the best of health for the
holiday season.

Saturday morning there were
seven deer crossed Mr. and Mrs.
Katie Yates' field near the
house while they were eating
breakfast. So there must be a
few left for next year's crop.

CARD OF THANKS

We want to thank our friends
who helped in any way to make
our anniversary a success.
Thanks to Mrs. Emerson
Clough who made the lovely
cake.

Happiness is Christmas and getting a Bulova!

At Christmas, there's no gift like a watch — and no watch like a Bulova. One reason: quality. No watch manufacturer in the world can match Bulova quality. Every Bulova must pass up to 3500 quality inspections before it leaves the factory.

More people buy Chevrolets? Yes!

Than any other make car? Yes!

Any other? Yes!

There must be reasons. Sure!

Name ten. OK:

1. All these comforts are available: steering wheels that tilt or lift and telescope; AM/FM Multiplex Stereo radio, first ever offered in cars; and Shock-bucket seats (to give you just a sample).
2. Comforton automatic heating and cooling you can order — just dial the temperature and turn it on; Comforton automatically keeps you comfortable no matter what the weather outside.
3. More engine choices — the widest horsepower range available: the 475-hp Turbo-Jet V8 in Chevrolet and Corvette to a 70-hp four in Chevy II.
4. Body by Fisher — Craftsmanship by the world's best known coachmakers with everything from luxury wheel interiors to the long later Magic Mirror easy-to-rear seats.
5. Self-cleaning rocker panels flush out salt and other corrosives with water; dry themselves with outside air — another way Chevrolet takes extra care so you needn't bother.
6. A hushed and gentle ride with body mounts designed to isolate vibration better and shock absorbers matched to body style — coupe, sedan, convertible, wagon.
7. America's only rear-engine car, Corvair, with more weight over the driving wheels where you need it and less on the steering wheels where you don't.
8. America's only true sports car, Corvette, with fully independent suspension, four-wheel disc brakes and engines you can order up to 427 cubic inches.
9. Higher resale value — Chevrolets traditionally are worth more at trade-in time because more people want Chevrolets... new or used.
10. All these safety features: standard news test belts, front and rear padded dash and sun visors; outside mirror (use it always before passing); shatter-resistant inside mirrors; 2-speed electric windshield wipers for better visibility in a downpour; windshield wipers; back-up lights.

FROM OUR FILES

10 YEARS AGO

A bobcat weighing about 35 pounds was shot in North Waterford.

Oxford County was one of six counties reporting more than 1000 members in the county's Extension Association.

A truck-auto collision in North Newry took three lives and injured four. Dying from injuries were Mrs. Claude Herwick, Newry; Lou E. Wight, Newry; and Joel McLean, Portland.

The home of Lou E. Wight, North Newry, was badly damaged by fire.

Adult classes in ceramics were being conducted at Gould Academy.

The 125-piece band from Edward Little High School was presented at South Paris school auditorium.

A snowfall of six inches the first week in December made treacherous travelling. Below zero weather was recorded in the Bethel area.

Deaths: Mrs. Claude Herwick, Lou E. Wight, Joel McLean, Mrs. James Chism, Guy I. Pratt, Mrs. Emma Morse York, Mrs. Ida M. Noyes.

20 YEARS AGO

Dr. and Mrs. G. L. Kneeland and family moved to their recently purchased home on Main Street.

Bethel Airport was opened for use. Two thousand feet of runway was cleared.

Alterations were being made at Bryant's Market. The plan-

was to be operated as a self service store.

Deaths: Rev. Arthur Valley, Mrs. Lena Farnum, Miss Louise Marion Foster.

30 YEARS AGO

The "Morningstar Cottage" at Songo Pond was burned by fire of unknown origin. Loss was estimated at \$2,000.

A "peat bog" was encountered in the road construction at South Bethel.

A fire on the roof of the boarding house at West Bethel aroused much excitement.

Help was called from Gorham. Fire was extinguished and the Gorham department was turned back at Gilead.

There were five Thanksgiving parties on Grover Hill.

Deaths: Mrs. Rose G. Eames, Dr. Herbert Francis Twitchell, Fred Hendrickson, David Taylor, Frank Goodnow.

40 YEARS AGO

Deer were reported scarce by many hunters.

Thermometer readings were reported as low as fifteen degrees below zero.

Central Maine Power Company erected the sub-station on the Sessions field.

A big celebration at South Paris honored Mr. and Mrs. "Mellie" Duran upon their departure for Dearborn, Mich., where "Mellie" fiddled for Henry Ford.

The farm home of Jesse Glover and family in Andover was burned.

Death: Rev. Naham W. Grover, J. Hastings Bean, William A. Merrill.

er will be Mrs. Miriam Underhill of Randolph, N. H. Mrs. Underhill, long known as one of the world's foremost mount-

tain climbers, became well-known locally on Sept. 10 when she missed her trail while climbing Elephant Mountain, north of Andover. Mrs. Underhill, whose husband is a retired Harvard University professor, makes her year-round home in Randolph. With her husband she has climbed mountains extensively in other parts of this country and Europe, as well as knowing the New England hills intimately. For her appearance at the Senior Citizens she will show slides of Switzerland featuring the flowers and mountain climbing there.

Last of the program will be the distribution of gifts from the Christmas tree.

CARD OF THANKS

We wish to express our sincere thanks to all our friends and neighbors, to the Greenleaf Funeral Home, the bereaved, Rev. Jackson, Mrs. Jackson and Rev. Lindahl for the many kindnesses, expressions of sympathy and beautiful flowers during our recent bereavement.

MRS. ELIZABETH BUTTS

Mrs. Elizabeth McNeill Butts of Portland died Friday morning in a Vermont nursing home following a brief illness.

Born Sept. 11, 1873, in Hopkinton, Mass., she was the daughter of William and Ida Bickford McNeill. She moved to Saco as a child, attended Saco schools. She graduated from the Central Maine School of Nursing in 1899. Mrs. Butts was a member of the Universalist Church, Bethel Lodge and Signal Light Chapter, OES, all of New Portland. Her husband, John P. Butts, died in 1939.

For several years Mr. Butts operated a hardware store in the quarters now occupied by the Bethel Laundromat. Mr. and Mrs. Butts moved to Farmington in the early 1940s.

Surviving are two daughters, Mrs. Arthur Cutler, Farmington, and Mrs. Oral G. King, of Portland, with whom she made her home; two grandchildren; and eight great-grandchildren.

Funeral services were held Monday morning from the funeral home of Jones & Nich, Inc., Portland. Rev. Robert Haldane officiated. Interment in Laurel Hill Cemetery, Saco.

MRS. BESSIE E. FOGG

Mrs. Bessie E. Fogg of Hazardsville, Conn., died early Monday morning at a Manchester, Conn., nursing home after a long illness. She was a native of Auburn.

Born in Auburn, April 24, 1883, she was the daughter of Dearborn Merrill. She attended Auburn schools and many years ago married Llewellyn Fogg who died Dec. 13, 1961, at Bethel. Mr. and Mrs. Fogg resided in Bethel for several years.

Mrs. Fogg is survived by one sister, Miss Lena Merrill, of Auburn.

JENNINGS - ANGEVINE ENGAGEMENT

Mr. and Mrs. George W. Jennings of Pawtucket, R. I., have announced the engagement of their daughter, Joyce May, to Christen Angevine, AX3, son of Mr. and Mrs. Avery J. Angevine, Bethel.

Miss Jennings was graduated from Tolman High School, Plus School of Business and attended Pinan's School of Scientific Beauty Culture.

Mr. Angevine was graduated from Gould Academy and attended Northeastern University at Boston. He is presently assigned as an aviation anti-submarine warfare technician with "Helen II," which is temporarily based ashore at Quonset Point, R. I.

A January 8, 1966, date has been set for the wedding.

COMPLETE TRAINING AT PARRIS ISLAND

Marine Privates Hugh L. Brown, Jr., son of Hugh L. Brown of Bethel, and Charles A. Rannels, son of Mr. and Mrs. Asher H. Rannels, of Bethel, have completed Marine recruit training at the Marine Corps Recruit Depot at Parris Island, S. C.

During their eight weeks of intensified recruit training under veteran noncommissioned officer Drill instructors, they learned small arms marksmanship, bayonet fighting, and methods of self-protection, as well as receiving instruction in military drill, history and traditions of the Marine Corps, and other academic subjects.

They have been assigned to Camp Lejeune, N. C., for four weeks of individual combat training and four weeks of basic specialist training in their military occupational fields.

STATE SENATE PRESIDENT TO SEEK GOVERNORSHIP

On Tuesday the President of the Maine State Senate, Charles Day Reed, Jr., of Bethel, announced his candidacy for the Democrat nomination as Governor in the June primary.

Elected to the State Senate in 1962 from Sagadahoc County, he previously had served in the State House of Representatives, being elected in 1958. He is a graduate of Morse High School of Bethel, and Colby College, and is in the construction business. Thirty-five years old, Mr. Reed is married to the former Elizabeth Cummings of Bethel. They have five children.

COMMUNITY ACTION PROGRAMS

Much is heard but little is known by the general public about Community Action Programs under the Economic Opportunity Act. The Oxford County Economic Opportunity Council is the sponsor of the CAP for the 33 towns of the county. Its executive director, Arthur N. Gouin, Jr., of Norway, announces.

Mr. Gouin, former principal at Mechanic Falls High School, is busy initiating contacts with community groups and setting up a building-block type program for the county.

The Oxford County program was among the first four pro-

grams approved in the state. The planning grant was \$18,864 Federal and \$2096 local, most of which was in kind rather than cash.

OCEOC has been notified that approximately \$90,000 is available for project funding. It should be pointed out that these are existing funds and because many communities have not picked up their funds in this year's budget, some of the unused funds will be available to the going programs.

WHY DON'T THEY PULL DOWN THE SHADES!

THERE IS NOTHING to hide. Costs a prescription are dependent on the months, even years, of scientific research that goes into development of today's wonder drugs. How much to health worth? How much the loss of a week's wages from illness? It pays to get a prescription promptly, when ill.
